

## **1 PURPOSE**

- 1.1 Della International College ('DIC') is responsible for ensuring that appropriate student support services are provided to assist students in completing their studies and reaching their academic goals. To ensure that students are made aware of the support available, all staff at DIC are required to understand their responsibilities in providing students with support and, where necessary, referral to others for appropriate advice.

## **2 SCOPE**

- 2.1 This Framework applies to all students and all staff at DIC.

## **3 SUPPORT MECHANISMS**

- 3.1 The following support services are available and accessible for all students studying at DIC. DIC will provide students with contact details to refer any matters that require further follow up with relevant professionals. Any referrals are made by DIC at no cost to the student, but fees and charges may apply where an external service is used by the student, and this should be clarified by the student prior to using such external services.
- 3.2 Non-academic Student Services – every campus has 2 – 3 full-time student services staff who are the first 'port of call' for all student enquiries. These staff are customer service specialists and nominated staff on each campus are trained as Access and Equity and International 'specialists'. Students can either come in to reception to ask general questions. A number a register is also available to assist students with finding the information / support they need.

### **Nominated Support Officers**

- 3.3 While all staff employed by DIC have the responsibility to provide support to students, the College shall nominate a dedicated Student Support Officer and an Academic Learning Support Officer who will be available to all students, on an appointment basis, during DIC's hours of operation. Students may access the Student Support Officer and Academic Learning Support Officer directly or via the Administration desk and an appointment will be organised as soon as practicable.
- 3.4 Details of how to contact the current Student Support Officer and Academic Learning Support Officer will be displayed in front of the reception and around the campus.
- 3.5 As part of their responsibilities, the Student Support Officer and Academic Learning Support Officer ensures up-to-date information is available for student support services and that any contacts provided are current. This information is given to students as part of the student orientation program outlined below.

### **Academic Issues**

- 3.6 Students may have concerns about their attendance, academic performance or other related issues that are placing them at risk of not achieving the requirements of their course. Students are able to gain advice and support to help them to maintain appropriate academic levels and attendance levels so they can achieve satisfactory results in their studies.
- 3.7 All students' progress is monitored and guidance and support provided where poor course progress, or issues related to Language, Literacy and Numeracy (LL&N) are identified.
- 3.8 A student is able to access the Academic Learning Support Officer to discuss any academic, attendance, or other related issues at any time. The Academic Learning Support Officer will be able to provide advice and guidance, or referral, where required.

### **Personal or Social Issues**

- 3.9 There are many issues that may affect a student's social or personal life and students have access to the Student Support Officer during DIC's hours of operation to gain advice and guidance on personal, accommodation, or family / friend issues.

- 3.10 Where the Student Support Officer feels further support may be required, a referral to an appropriate support service will be organised.

### **Counselling Service**

- 4.1 In order to ensure that DIC has support services for students that are appropriate in scope and quality for the capacity of the College and mode of delivery of its courses, the Campus Manager implements a regimen of regular review and feedback. Stakeholders are consulted to monitor the efficacy of the support services and the Committee will make the necessary improvements.

### **Stakeholder Feedback**

- 4.2 Regular stakeholder feedback through the use of survey instruments will inform DIC when reviewing the adequacy of its support services through the following process:
- 4.2.1 A survey of students is conducted at the end of each study period using the Feedback on Student Support Services. The survey will include the quality of DIC's support services, and will solicit suggestions on any improvements which might be made to enhance the student experience.
- 4.2.2 The Campus Manager will review the surveys, analyse the feedback and summarise any issues raised in regard to support services for discussion at the next staff Meeting.
