1 PURPOSE

- 1.6 The policy:
 - establishes the framework for Student and Academic Services to determine satisfactory attendance;

VET Attendance Policy and Procedure

- 3.1 A **minimum of 80 per cent (80%)** attendance of scheduled contact hours is required by students enrolled in a VET program.
- 3.2 Students are to attend those classes for which they are enrolled and timetabled.
- 3.3 Attendance is based on the individual study period of the student as per his/her Confirmation of Enrolment (CoE).

4 PROCEDURE-MONITORING ATTENDANCE AND ATTENDANCE NOTIFICATIONS

- 4.1 Trainers submit the completed attendance sheets to the Admin Team by Monday for the previous week.
- 4.2 Attendance is recorded in the R9 Attendance Register-VET by the Admin Team.
- 4.3 The Admin team reviews the projected attendance percentage for each student and sends the RPT-004 Student At Risk-VET Attendance to the Compliance Manager. The report contains the list of students for the followings:
 - 4.3.1 Student who missed more than 5 consecutive classes.
 - 4.3.2 Student's attendance falls below 90%
 - 4.3.3 Student's attendance falls below 85%
 - 4.3.4 Student's attendance falls below 80%

5 PROCEDURE- ATTENDANCE NOTIFICATIONS

- 5.1 The Compliance Manager/delegate sends the Attendance Notification (L33) to the students who misses more than five consecutive classes.
- 5.2 The Compliance Manager/delegate sends the Attendance Warning Letter-1st (L34) to the students whose attendance falls below 90%.
- 5.3 The Compliance Manager/delegate sends the Attendance Warning Letter-2nd (L35) to the students whose attendance falls below 85%.
- 5.4 Appropriate Intervention is to be offered to students to support attendance.

6 PROCEDURE-INTERVENTION

- 6.1 The Compliance Manager attempts to make contact with the student who were absent for more than five consecutive days or at risk of not meeting 80% attendance requirement by issuing the warning notifications in order to determine possible causes and explain their status and provide information about:
 - 6.1.1 the possible consequences of further poor attendance;
 - 6.1.2 relevant support services available to students for assistance;
 - 6.1.3 the requirement to attend a meeting with the Compliance Manager; and
 - 6.1.4 an intervention strategy for those students.

 - 7.1.2 informs the overseas student of the reasons for the intention to report

VET Attendance Policy and Procedure

- 7.2.1 the internal and external complaints processes have been completed and the decision or recommendation supports DIC, or
 - 7.2.2 the overseas student has chosen not to access the internal complaints and appeals process within the 20 working day period, or
 - 7.2.3 the overseas student has chosen not to access the external complaints and appeals process, or
 - 7.2.4 the overseas student withdraws from the internal or external appeals processes by notifying the registered provider in writing.
- 7.3 DIC may decide not to report the overseas student for breaching the attendance requirements if the overseas student is still attending at least 70 per cent of the scheduled course contact hours and the overseas student is maintaining satisfactory course progress.

8 CONSIDERATION FOR NON-ATTENDANCE

- 8.1 Consideration for non-attendance explains why a student is absent, it does NOT however excuse absence. A medical certificate or compelling and compassionate grounds still require a student to meet the minimum attendance requirements. Absences, irrespective of their nature, that result in a minimum attendance dropping below the required 80% attendance level will result in the student being issues with an Intention to Report (ITR).
- 8.2 'Compassionate or compelling circumstances' are those beyond the control of the student and which have an impact upon the student's attendance or wellbeing. These could include:
- a) Pregnancy or childbirth;
 - b) serious illness or injury supported by a medical certificate;
 - c) serious illness or bereavement of a family member;
 - d) involvement or being witness to a traumatic experience;
 - e) being the victim of or witness to a serious crime;
 - f) major political upheaval in your home country requiring emergency travel;
 - g) a major natural disaster in your home country requiring emergency travel; and/ or
 - h) Inability to commence or resume your studies due to visa processing delays.

8.3 Where compelling or compassionate circumstances exist, original or certified medical, psychological, police or other certificates must be provided to the classroom teacher/admin team.

8.4 A student must attend class while an appeal is in progress.

8.5 A student will also be provided the opportunity to access the external appeals process documented in the Student complaints and appeals Policy and Procedure if the outcome of their internal appeal is to uphold the decision by the Institute.

9 RESPONSIBILITIES

- 9.1 DIC VET trainers, Student and Academic Services staff and Compliance Manager have responsibility for implementing and reporting against attendance.
- 9.2 The Compliance Manager is accountable for the policy.
